COACHING STAFF

ERIN BROWN

**3RD AT TRUMAN
39-50 TRUMAN RECORD
56-83 CAREER RECORD**

Erin Brown enters her third season as Bulldog head coach that has seen improvement during the two previous campaigns. In Brown's first season, Truman was 17-29 and finished 22-21 in 2008.

The 2008 squad was in the hunt for an NCAA tournament berth and produced the MIAA player of the year in Christen Belcher.

Brown was selected to be the Truman softball head coach on Aug. 17, 2006. She was previously head coach and sports information director at Westminster College in Fulton, Mo. and was a three-time letterwinner for the Bulldog softball team from 1999-2001.

Brown took over a Westminster program in 2004 that had won just two games the previous two seasons and won 17 the next two years under her tutelage. She had four players named all-conference by the St. Louis Intercollegiate Athletics Conference, including the school's first first-team pick in three seasons.

Prior to Westminster, Brown served as a graduate intern at the Missouri State High School Activities Association in the summer of 2004 after completing her master's degree at the University of Central Missouri. She assisted long-

time Jennies coach, Rhesa Sumrell for two seasons in Warrensburg as Central went 69-40 during that period.

Brown transferred to Truman from Culver-Stockton College in 1999 and was a member of three NCAA regional finalist squads. The Bulldogs went 133-34-1 over the three-year period under then-head coach Kristy Schroeder, including a school record 46 wins in the 1999 season.

Brown was used mostly as a utility player and had a career high .313 batting average in 1999 and was second on the team in 2000 with 14 stolen bases in 48 games played.

Erin played high school softball at South Shelby High School. Erin is married to former Bulldog Basketball standout, Brian Brown, who is the head boy's basketball coach at Centralia High School in Centralia, Mo. They have a daughter named Teryn.

ASSISTANT COACH

CATHY MONROE

Cathy Monroe is also in her third season at her alma mater and joins former teammate Erin Brown as an assistant coach for the Bulldogs. Monroe was a member of the Bulldog softball team from 1998-2002. She played in 16 games her first two years and was voted the team's most improved player following the 1999 season.

She played in 49 games during her senior season and was a co-captain of the Truman squad that won an MIAA conference title and earned a berth into the NCAA Division II North Central regional tournament.

Monroe played for Lutheran South High School in St. Louis and was a four-time letterwinner in softball, basketball and track. She was an all-district pick following her junior and senior seasons as her team also won district titles those years. Her junior team finished third in the state tournament.

After graduation from Truman with a degree in Agricultural Science, Monroe returned to Lutheran South to coach the junior varsity softball team.

Monroe has been a student under some of the top softball coaches in Truman history, Kristy Schroeder and Kristi Bredbenner.

INDUCTED - 1995**

Teri (Steller) Clemens was a multi-sport athlete and team MVP in softball, field hockey and tennis during the mid-1970s at Truman. Clemens was the University's 1978 Female Athlete of the Year. Clemens was hired by Washington University in August of 1985 as their volleyball coach. She led the Bears to the 1989 Division III title, the first in a century of Hilltop athletic history. Clemens then built a dynasty that extended itself to seven NCAA titles, including six in a row from 1991 to 1996. Clemens, who retired at the end of the 1998 season after 14 seasons as head coach of the Bears, left the program as the winningest coach in NCAA volleyball history by winning percentage (529-77, .873).

**TRISH (KONGABLE) BROWN
INDUCTED - 1996**

Trisha (Kongable) Brown, a softball pitcher for the Bulldogs, was a two-time all-MIAA first-team selection, a 1986 NCAA Division II all-America second team pick and a two-time academic all-America. In 1986, she was named the MIAA conference MVP. Brown owns 10 school records that still stand. She worked as an assistant softball coach while she worked on her master's degree in speech pathology.

**DEB (WENO) WYNN
INDUCTED - 1999**

Deb Weno came to Truman and stepped right in as a key contributor on a solid Bulldog softball team. In 1985, the team won the MIAA tournament and went all the way to the Midwest Regional final of the NCAA Division II tournament. Weno was named MIAA freshman of the year and second-team all-MIAA for her efforts as a pitcher and at third base. She was a second-team all-MIAA pick her sophomore year as the team advanced to the Final Four. She was a first-team all-conference pick her junior year and an NCAA All-American her senior season. Weno's legacy is still prominent in Bulldog softball, as she still holds several school records. Weno has the record for most career games played with 173, most career RBI's with 80, most career innings pitched with 526 2/3, most career starts on the mound with 74, most career complete games with 71 and most career saves with four.

**TAMARA BILLERBECK
INDUCTED - 2000**

Tamara Billerbeck starred for the Bulldogs from 1984-87 in softball, and also played on the basketball and volleyball teams as well. However it is her exploits on the softball field as a utility player that have etched her name into the Bulldog record book. She was a first-team all-Mid-America Intercollegiate Athletics Association selection in each of her four seasons with the team, the only Bulldog to ever accomplish that feat, and was the conference MVP her final year. Billerbeck was an all-Midwest region pick as a junior and senior, and earned third-team all-America honors following her senior campaign. She completed her final year ranked third in the nation in strikeout average with 7.6 a game, and was 14th with a 0.84 ERA.

**1982 TEAM
INDUCTED - 2007**

The 1982 softball team was the first women's squad to bring home an NCAA trophy the first year the sport was sponsored by the association. The Bulldogs were 22-15 during the regular season but earned a berth into the NCAA Division II regional event in Omaha, Neb. At the regional tournament, the Bulldogs opened up play with a 4-1 win over Augustana College. Truman scored three runs in the top of the first and never looked back. They also beat host Wayne State by a 4-0 score with Kongable picking up the win. A run in the top of the seventh gave the Bulldogs the regional title against

Augustana the next day.

Truman dropped their first game at the Final Four by a 1-0 score, with the lone run coming in the top of the sixth inning against Bloomsburg (Pa.).

In the elimination game versus California State-Northridge, Kongable allowed just two hits but two runs scored in the first and the team fell 2-1.

The Bulldogs tough regular season schedule gave them enough of a push to earn an at-large bid into the regional tournament held in Lakeland, Fla. Truman finished third in the conference but got the bid to the South Regional tournament and won three of the four games to capture the title.

It was a young Bulldog squad in 1988, consisting of four freshmen, two sophomores and three juniors. The only senior was All-American Deb Weno at pitcher/third base.

It was a pair of California schools that once again ended the team's national title dreams. Cal-St.-Bakersfield handed Weno and the Bulldogs a 3-0 defeat in the opening round of the tournament held in Sacramento and Cal-St. Northridge shutout the

'Dogs again in the next game 4-0 to eliminate the team.

Weno led the team with a .304 batting average and a 0.87 ERA in 28 games as the pitcher. Weno also had a team-high 27 runs batted in, 18 more than Joann Ruddy and Trish Lilygren.

TRUMAN ATHLETICS

What's In A Nickname?

Why was the nickname, Bulldogs, selected for Truman State University? O.C. Bell in 1908 referred to his performers as Bulldogs, but it wasn't an official designation. So far as is known, this term wasn't used again until the spring of 1915.

At the time, a committee of students, including the late President Emeritus Walter H. Ryle, recommended the adoption of the "Bulldog" as the official emblem because of the beast's tenacity and ability to fight desperately to the end.

The spirit of the Bulldog has been evident since the name was selected 90 years ago. It's not unique though, as at least 16 NCAA schools have adopted the "Bulldog".

Sports Medicine

The training room is home base for the sports medicine program at Truman State University. The purpose of the program is to work toward the prevention of athletic injuries, care for those injuries that do happen and work for complete

recovery through rehabilitation so that the student-athlete can return to competition as safely and quickly as possible. The program works under the direct supervision of three full-time experienced trainers and two physicians. If an athlete should be injured while participating in an intercollegiate sport, they will be evaluated by a highly competent training staff member and treated as needed or referred to necessary medical personnel.

The main training room is on the lower level of Pershing Building just off the northeast corner of Pershing Arena. Both the head athletics trainer's and assistant athletics trainer's offices are located in this area. The student trainers assigned to each sport also use this as their main area of contact.

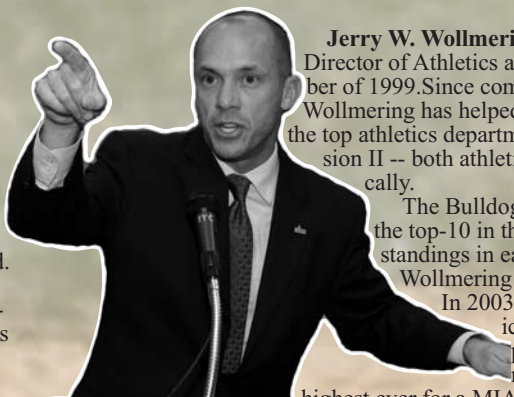

It contains 7 treatment tables and 2 taping tables. Two whirlpools, muscle stimulation, ultrasound, and a variety of other modalities are available to treat injured athletes. This athletic training room also contains rehabilitation room containing a variety of rehabilitation equipment

A secondary training room in the football kennels, located south of Pershing Building, is mainly used during fall and spring practices because of its proximity to the football practice field and outdoor track. It contains eight treatment tables, four taping tables, and three whirlpools. This facility is equipped with modalities and rehabilitation equipment similar to that in the Pershing athletic training room.

Director of Athletics

Jerry W. Wollmering was named the Director of Athletics at Truman in September of 1999. Since coming to Kirksville, Wollmering has helped Truman be one of the top athletics departments in NCAA Division II -- both athletically and academically.

The Bulldogs have finished in the top-10 in the Directors' Cup standings in each year that

Wollmering has been at Truman.

In 2003-04, he led the athletics program to a third-place finish in that national program, the highest ever for a MIAA school.

Academically, Truman regularly ranks among the top schools in the MIAA and in the nation in graduation rates.

Prior to coming to Truman, Wollmering served as associate athletics director of finance and administration at Bowling Green State University in Ohio since January of 1998. He was also the assistant athletics director for financial affairs for two years at BGSU, prior to his becoming an associate AD.

Wollmering earned a bachelor's degree in business administration and accounting from Drake University in 1987, and a master's degree in physical education and athletic administration from Kent State University in 1993. He is also a certified public accountant with experience as an auditor.

Before arriving at Bowling Green, Wollmering was an assistant athletic director at Southeast Missouri State University, a Division I program, for approximately 18 months. While working on his master's degree, Wollmering was a graduate assistant to the athletic director at Kent.

A native of Ft. Madison, Iowa, he was a varsity letterman in cross country and track at Drake. Wollmering and his wife, Alicia, have three daughters: Leah, Erica and Kate.

DARRELL KRUEGER

Dr. Darrell Krueger began as Interim President of Truman State University on Oct. 16, 2008.

Krueger served for 16 years as the vice president for academic affairs and dean of instruction at Truman and for two years prior to that he served as an assistant professor of political science at the University.

Krueger left Truman to become the 13th president of Winona State University (Minn.) from 1989 until his retirement in 2005. During his tenure as president he was nationally recognized for his work in outcomes assessment. Under his leadership, Winona State University became one of the most technologically advanced universities in the nation with one of the largest laptop university programs supporting more than 8,000 laptop computers across campus.

Under Krueger's leadership a comprehensive campus master plan was developed that included enhancement of campus green spaces, a new library that opened in 1999 and a state-of-the-art science laboratory center that was dedicated in the fall of 2004.

Krueger graduated summa cum laude as co-valedictorian from Southern Utah State College in Cedar City in 1967, with a bachelors of arts degree in political science and history. He earned a master's degree in 1969 and a Ph.D. in 1971 from the University of Arizona, Tucson. He is the 50th Woodrow Wilson Fellow to become a president and he is a member of Phi Beta Kappa. ATHLETICS FACILITIES

TRUMAN SOFTBALL FIELD - HOME OF THE BULLDOGS

The softball field, located just south of Stokes Stadium and Pershing, was opened in 1972 and has a seating capacity for 200 spectators. Additional seating can be brought in when necessary.

In 1983, the field underwent major renovations being professionally leveled, a new backstop and permanent fencing were installed and dugouts were added.

Newer permanent dugouts were constructed in the summer of 2000, allowing the teams an open view of the field.

In the fall of 2007, a new mesh backstop and new outfield fence with slats were installed to enclose the facility

WEIGHT TRAINING FACILITIES

Truman has three weight rooms that are at the disposal of the athletes. The largest is the free weights room which is located on the west side of the Pershing Arena on the third floor. This room was renovated during the summer of 2000. The renovations included new ventilation and equipment, and general refurbishment of the interior.

Approximately 2,600 square feet, it accommodates 40-45 athletes at a time with eight separate power stations complete with platforms and bumper plates for a wide variety of strength training and rehabilitation.

The Nautilus room is located on the east side of the arena near the ramp that leads to the natatorium. The third weight room is the aquatic weight room and is located at the bottom of the ramp on the east side.
