COACHING HISTORY:
5TH SEASON (HEAD COACH)
153-233 RECORD

EDUCATION:
TRUMAN 2001
B.S. EXERCISE SCIENCE
CENTRAL MISSOURI 2004
M.S. SPORTS ADMINISTRATION

Erin Brown is in her fourth season at the helm of the Truman Softball program.

Brown is 67-117 during her tenure as coach and had six players earn all-conference honors.

Christen Belcher was named the Bulldogs 10th All-American in 2008 as she broke both the school and conference season and career stolen base record. She was also a first-team all-MIAA selection that season and was voted the league's Most Valuable Offensive Player.

Pitcher and utility player Katie Noski earned first-team accolades under Brown also in 2008 after being named second team in 2007 and honorable mention in 2006.

Brown has had at least two players named to the all-conference team in each of her first three seasons and has had numerous players earn league academic honors.

The Bulldog softball team has ranked among the top teams in the nation in the NCAA Academic Success Rate. In the latest data released by the NCAA and the U.S. Department of Education, the Truman Softball team under Brown has a ASR and graduation rate of 100.

Brown rejoined her alma mater as head coach on Aug. 17, 2006.

Brown transferred to Truman from Culver-Stockton College in 1999 and was a letterwinner on three NCAA regional finalist squads.

The Bulldogs went 133-34-1 over the three-year period under then-head coach Kristy Schroeder, including a school record 46 wins in the 1999 season. Brown was used mostly as a utility player and had a career high .313 batting average in 1999 and was second on the team in 2000 with 14 stolen bases in 48 games played.

Prior to becoming the head coach at Truman, Brown was previously the head coach and Sports Information Director at Westminster College in Fulton, Mo.

Brown took over a Westminster program in 2004 that had won just two games the previous two seasons and won 17 the next two years under her tutelage. She had four players named all-conference by the St. Louis Intercollegiate Athletics Conference, including the school's first first-team pick in three seasons.

Prior to Westminster, Brown served as a graduate intern at the Missouri State High School Activities Association in the summer of 2004 after completing her master's degree

at the University of Central Missouri. She assisted long-time Jennies coach, Rhessa Sumrell for two seasons in Warrensburg as Central went 69-40 during that period

Erin played high school softball at nearby South Shelby High School in Shelby, Mo.

Brown is married to former Bulldog Basketball standout, Brian Brown, who is the head boy's basketball coach at Centralia High School in Centralia, Mo. They have a daughter named Teryn.

COACHING HISTORY:
FOURTH SEASON (TRUMAN)

EDUCATION:
TRUMAN 2002
B.S. AGRICULTURAL SCIENCE

Cathy Monroe is also in her fourth season at her alma mater and joined former teammate Erin Brown as an assistant coach for the Bulldogs.

Monroe was a member of the Bulldog softball team from 1998-2002. She played in 16 games her first two years and was voted the team's most improved player following the 1999 season.

She played in 49 games during her senior season and was a co-captain of the Truman squad that won an MIAA conference title and earned a berth into the NCAA Division II North Central regional tournament.

Monroe played for Lutheran South High School in St. Louis and was a four-time letterwinner in softball, basketball and track. She was an all-district pick following her junior and senior seasons as her team also won district titles those years. Her junior team finished third in the state tournament.

After graduation from Truman with a degree in Agricultural Science, Monroe returned to Lutheran South to coach the junior varsity softball team. Monroe has been a student under some of the top softball coaches in Truman history, Kristy Schroeder and Kristi Bredbenner.

Holleran had 10 doubles her junior year and seven more last season to lead the Bulldogs. She was also tied for the top spot on the team in round trippers with two last year.

TRUMAN HALL OF FAME MEMBERS - SOFTBALL

TERRI (STELLER) CLEMENS
INDUCTED - 1995

Teri (Steller) Clemens was a multi-sport athlete and team MVP in softball, field hockey and tennis during the mid-1970s at Truman. Clemens was the University's 1978 Female Athlete of the Year. Clemens was hired by Washington University in August of 1985 as their volleyball coach. She led the Bears to the 1989 Division III title, the first in a century of Hilltop athletic history. Clemens then built a dynasty that extended itself to seven NCAA titles, including six in a row from 1991 to 1996. Clemens, who retired at the end of the 1998 season after 14 seasons as head coach of the Bears, left the program as the winningest coach in NCAA volleyball history by winning percentage (.529-.77, .873).

DEB (WENO) WYNN
INDUCTED - 1999

Deb Weno came to Truman and stepped right in as a key contributor on a solid Bulldog softball team. In 1985, the team won the MIAA tournament and went all the way to the Midwest Regional final of the NCAA Division II tournament. Weno was named MIAA freshman of the year and second-team all-MIAA for her efforts as a pitcher and at third base. She was a second-team all-MIAA pick her sophomore year as the team advanced to the Final Four. She was a first-team all-conference pick her junior year and an NCAA All-American her senior season. Weno's legacy is still prominent in Bulldog softball, as she still holds several school records. Weno has the record for most career games played with 173, most career RBI's with 80, most career innings pitched with 526 2/3, most career starts on the mound with 74, most career complete games with 71 and most career saves with four.

TRISH (KONGABLE) BROWN
INDUCTED - 1996

Trisha (Kongable) Brown, a softball pitcher for the Bulldogs, was a two-time all-MIAA first-team selection, a 1986 NCAA Division II all-America second team pick and a two-time academic all-America. In 1986, she was named the MIAA conference MVP. Brown owns 10 school records that still stand. She worked as an assistant softball coach while she worked on her master's degree in speech pathology.

TAMARA BILLERBECK
INDUCTED - 2000

Tamara Billerbeck starred for the Bulldogs from 1984-87 in softball, and also played on the basketball and volleyball teams as well. However it is her exploits on the softball field as a utility player that have etched her name into the Bulldog record book. She was a first-team all-Mid-America Intercollegiate Athletics Association selection in each of her four seasons with the team, the only Bulldog to ever accomplish that feat, and was the conference MVP her final year. Billerbeck was an all-Midwest region pick as a junior and senior, and earned third-team all-America honors following her senior campaign. She completed her final year ranked third in the nation in strikeout average with 7.6 a game, and was 14th with a 0.84 ERA.

1982 TEAM
INDUCTED - 2007

The 1982 softball team was the first women's squad to bring home an NCAA trophy the first year the sport was sponsored by the association. The Bulldogs were 22-15 during the regular season but earned a berth into the NCAA Division II regional event in Omaha, Neb. At the regional, the Bulldogs defeated the host Mavericks 4-1 but had to win the second game 1-0 in 13 innings to earn the trip to Bridgeport, Conn. In the 13th inning, Joni Williams singled in Renae Waddill for the regional championship. At the College World Series, where only the four championship teams advanced, the Bulldogs lost their first game to Sam Houston State (Texas) by a 1-0. In the elimination game, Truman held a 3-1 lead after four innings but watched as Sacred Heart (Conn.) stormed back with three in the fifth and two more in the sixth for the 6-3 victory. Truman finished the season with a 24-17 record. Squad Members - Christy Johnson, Carol McFee, Denette Stottlemire, Jody Ryan, Holly Shipman, Sandy McKinney, Sheryl Arnold, Renae Waddill, Maggie Egofske, Tracy Rowan, Cindy Joerg, Johnna Fields, Hilda Haring, Renee Harper, Joni Williams, Sheila Huggins, Frankie DeMouth, and Joan Allison.

The Bulldogs won the first elimination game

by defeating California State-Northridge 1-0 and advanced to the semi-finals.

State (Texas) by a 1-0 score.

The Bulldogs return to the Final Four in 1986, this time held in Akron, Ohio after winning the Midwest regional tournament in Detroit, Michigan.

Truman was led by pitcher Trish Kongable, who posted a 20-5 record and a 0.23 earned run average. Kongable was backed by Deb Weno and Tami Billerbeck on the staff.

At the regional tournament, the Bulldogs opened up play with a 4-1 win over Augustana College. Truman scored three runs in the top of the first and never looked back. They also beat host Wayne State by a 4-0 score with Kongable picking up the win. A run in the top of the seventh gave the Bulldogs the regional title against

Augustana the next day.

Truman dropped their first game at the Final Four by a 1-0 score, with the lone run coming in the top of the sixth inning against Bloomsburg (Pa.).

In the elimination game versus California State-Northridge, Kongable allowed just two hits but two runs scored in the first and the team fell 2-1.

The Bulldogs tough regular season schedule gave them enough of a push to earn an at-large bid into the regional tournament held in Lakeland, Fla. Truman finished third in the conference but got the bid to the South Regional tournament and won three of the four games to capture the title.

It was a young Bulldog squad in 1988, consisting of four freshmen, two sophomores and three juniors. The only senior was All-American Deb Weno at pitcher/third base.

It was a pair of California schools that once again ended the team's national title dreams. Cal-St. Bakersfield handed Weno and the Bulldogs a 3-0 defeat in the opening round of the tournament held in Sacramento and Cal-St. Northridge shutout the 'Dogs

again in the next game 4-0 to eliminate the team.

Weno led the team with a .304 batting average and a 0.87 ERA in 28 games as the pitcher. Weno also had a team-high 27 runs batted in, 18 more than Joann Ruddy and Trish Lilygren.

WHAT'S IN A NICKNAME?

Why was the nickname, Bulldogs, selected for Truman State University? O.C. Bell in 1908 referred to his performers as Bulldogs, but it wasn't an official designation. So far as is known, this term wasn't used again until the spring of 1915.

At the time, a committee of students, including the late President Emeritus Walter H. Ryle, recommended the adoption of the "Bulldog" as the official emblem because of the beast's tenacity and ability to fight desperately to the end.

The spirit of the Bulldog has been evident since the name was selected 90 years ago. It's not unique though, as at least 16 NCAA schools have adopted the "Bulldog".

DIRECTOR OF ATHLETICS

Jerry W. Wollmering named the Director of Athletics at Truman in September of 1999. Since coming to Kirksville, Wollmering has helped Truman be one of the top athletics departments in NCAA Division II -- both athletically and academically.

The Bulldogs have finished in the top-10 in the Directors' Cup standings in each year that Wollmering has been at Truman. In 2003-04, he led the athletics

program to a third-place finish in that national program, the highest ever for a MIAA school.

Academically, Truman regularly ranks among the top schools in the MIAA and in the nation in graduation rates.

Prior to coming to Truman, Wollmering served as associate athletics director of finance and administration at Bowling Green State University in Ohio since January of 1998. He was also the assistant athletics director for financial affairs for two years at BGSU, prior to his becoming an associate AD.

Wollmering earned a bachelor's degree in business administration and accounting from Drake University in 1987, and a master's degree in physical education and athletic administration from Kent State University in 1993. He is also a certified public accountant with experience as an auditor.

Before arriving at Bowling Green, Wollmering was an assistant athletic director at Southeast Missouri State University, a Division I program, for approximately 18 months. While working on his master's degree, Wollmering was a graduate assistant to the athletic director at Kent.

A native of Ft. Madison, Iowa, he was a varsity letterman in cross country and track at Drake. Wollmering and his wife, Alicia, have three daughters: Leah, Erica and Kate.

SPORTS MEDICINE

The training room is home base for the sports medicine program at Truman State University. The purpose of the program is to work toward the prevention of athletic injuries, care for those injuries that do happen and work for complete recovery through rehabilitation so that the student-athlete can return to competition as safely and quickly as possible. The program works under the direct supervision of three full-time experienced trainers and two physicians. If an athlete should be injured while participating in an intercollegiate sport, they will be evaluated by a highly competent training staff member and treated as needed or referred to necessary medical personnel.

The main training room is on the lower level of Pershing Building just off the northeast corner of Pershing Arena. Both the head athletics trainer's and assistant athletics trainer's offices are located in this area. The student trainers assigned to each sport also use this as their main area of contact.

It contains 7 treatment tables and 2 taping tables. Two whirlpools, muscle stimula-

tion, ultrasound, and a variety of other modalities are available to treat injured athletes. This athletic training room also contains rehabilitation room containing a variety of rehabilitation equipment

A secondary training room in the football kennels, located south of Pershing Building, is mainly used during fall and spring practices because of its proximity to the football practice field and outdoor track. It contains eight treatment tables, four taping tables, and three whirlpools. This facility is equipped with modalities and rehabilitation equipment similar to that in the Pershing athletic training room.

BULLDOGS IN THE COMMUNITY

Division II is committed to developing students and communities by actively engaging in shared experiences. Our community engagement objective is bringing community to campus to experience Division II collegiate events.

Through community engagement, student athletes can direct the energy and spirit of winning to positively change society.

Truman is committed to this Division II philosophy through many activities aimed at assisting local Kirksville and campus organizations, including the following:

- ◆ Working w/ United Way
- ◆ Cub Scouts & Northeast Missouri Food Bank
- ◆ Bulldog Buddies
- ◆ Spring Clean-Up
- ◆ Freshman Move-In Day
- ◆ YMCA Programs
- ◆ NEMO Fair Parking
- ◆ Bank of Kirksville Ice Cream Social
- ◆ Box Scout Camps
- ◆ Mentoring Program
- ◆ Pizza Delivery for Kirksville Public Schools
- ◆ Make A Wish Foundation
- ◆ Raise money for Parkinson's Disease Research (Bill Cable Purple & White Game)
- ◆ Think Pink! WBCA's Fight on Breast Cancer

ACADEMIC ALL-AMERICANS

Truman State University is one of the top schools in all of the country in producing Academic All-Americans.

The Bulldogs have had 87 Academic All-Americans since the programs inception in 1952 by the College Sports Information Directors of America which is 24th overall and second in Division II.

To be eligible for the Academic All-America honor, a student-athlete must have at least a 3.30 GPA and earn first-team all-district honors that are voted by the district's sports information directors.

TRUMAN SOFTBALL FIELD - HOME OF THE BULLDOGS

The softball field, located just south of Stokes Stadium and Pershing, was opened in 1972 and has a seating capacity for 200 spectators. Additional seating can be brought in when necessary.

In 1983, the field underwent major renovations being professionally leveled, a new backstop and permanent fencing were installed and dugouts were added.

Newer permanent dugouts were constructed in the summer of 2000, allowing the teams an open view of the field.

In the fall of 2007, a new mesh backstop and new outfield fence with slats were installed to enclose the facility and in the fall of 2009, new rock was laid behind home play to level the seating area.

WEIGHT TRAINING FACILITIES

Truman has three weight rooms that are at the disposal of the athletes. The largest is the free weights room which is located on the west side of the Pershing Arena on the third floor. This room was renovated during the summer of 2000. The renovations included new ventilation and equipment, and general refurbishment of the interior.

Approximately 2,600 square feet, it accommodates 40-45 athletes at a time with eight separate power stations complete with platforms and bumper plates for a wide variety of strength training and rehabilitation.

The Nautilus room is located on the east side of the arena near the ramp that leads to the natatorium. The third weight room is the aquatic weight room and is located at the bottom of the ramp on the east side.
