- ♦ 85% MIAA WINNING PERCENTAGE
- ♦ EIGHT-TIME MIAA COACH OF THE YEAR
- ♦ NINE MIAA CHAMPIONSHIPS

Mike Cannon enters his 18th season at Truman in 2010 and is the most successful coach to lead the Bulldog program during its 26 years of existence.

With a career record of 231-80-30 (.721), Cannon is the winningest coach in Truman women's soccer history and is ranked eighth in victories among all-time Division II coaches entering the 2010 season. During his tenure as head coach, Cannon has had seven players named to the all-American squad by the National Soccer Coaches Association of America (NSCAA) and has landed 52 student-athletes on all-region teams with 21 first-team selections.

When it comes to MIAA play, the Bulldogs have been the most dominant team in the league's history, having won nearly 85% of their conference games by compiling a combined 107-16-13 record in 11 seasons. Four players have been named the MIAA's Most Valuable Player, while a league-high 107 players have been named all-conference, an average of nearly ten per season, since the league added women's soccer as a conference sport in 1999.

Cannon led the program to its third straight trip to the NCAA postseason tournament in 2009, as the

squad advanced to the second round before falling to host-West Texas A&M in Canyon, Texas. One season prior, he became only the ninth coach in Div. II

*Includes both regular season & postseason matches

women's soccer history to win 200 matches en route to reaching the national quarterfinals. In that match, the Bulldogs lost a close, 1-0, match to the eventual national champions – Seattle Pacific.

Cannon's teams have won nine of the 11 MIAA titles the conference has offered and have been to the NCAA postseason eight times. His 2007 squad captured the MIAA conference tournament title in the only year of its existence after sharing the regular season championship.

He has been named MIAA Coach of the Year eight times - most recently in 2009 - and was the Central Region Coach of the Year in 2001.

Cannon's on-field team success can be matched by his players' performance in the classroom as well. Two Bulldogs have been named academic all-Americans, while numerous players have been mentioned on the MIAA Commissioner's Academic Honor Roll.

From 2001-04, the Bulldogs compiled a record of 71-9-5 (.865), which is second best in the NCAA Division II during that period.

In 1997, he led the Bulldogs to their first playoff appearance and advanced the team to the NCAA Division II quarterfinals. That year, Cannon became Truman's winningest coach with a 3-0 win over Baker University on Sept. 27. He posted his 100th career victory in 2001 in a 3-0 defeat of MIAA rival Northwest Missouri.

Cannon was named head coach of the Bulldogs in 1993 after serving as an assistant coach for the Truman men's soccer team in 1992. From 1988-91, Cannon played for Truman as a marking back and midfielder and was named the team's most valuable player his senior year.

As a junior, he was selected as the Bulldogs' most improved player for his contribution during a campaign in which the men's team qualified for the DII playoffs for the first time. During the summers of 1996 and 1997, Cannon spent time on the pitch as a defender for the Des Moines Menace of the United Systems of Independent Soccer Leagues (now called the United Soccer League). He was selected to play in the USISL all-star game in '96 and served as team captain in '97. Cannon's efforts helped lead the Menace to the regional playoffs both years.

He graduated in 1992 from Truman with a bachelor's degree in English.

B.S. Exercise Science - Truman (2010)

First Season

Making the move from player to coach, Katie Reuck joins Mike Cannon as part of the Bulldog coaching staff following a three-year stint as one of Truman's most successful midfielders in program history. Reuck, originally from Jacksonville, Ill., helped guide the women's soccer program to the NCAA tournament in each of her three seasons as a Bulldog after transferring to Truman prior to her sophomore season. She played in all 68 games, starting 67, during her career at Truman and finished 10th in Truman history in goals scored. Katie totaled 20 goals and 10 assists for her career and was named an all-American following her senior season.

She was also named to the NSCAA all-region team twice and was a Daktronics all-region pick in both 2008 and 2009. Katie was voted the team MVP in 2009 and was a member of the Student-Athlete Advisory Council. She graduated in May 2010 with a degree in Exercise Science.

TYLER MADSEN

ATHLETICS MEDIA RELATIONS ASSISTANT
3RD SEASON @ TRUMAN

Tyler Madsen begins his third season as Truman's Athletics Media Relations Assistant in 2010-11 after graduating in May 2008 from Truman with a degree in Exercise Science, specializing in Sport Management. Madsen works specifically to promote and record statistics for the Bulldog baseball, women's basketball, golf (men's & women's), soccer (men's & women's) and volleyball programs, while also assuming various roles with each of Truman's other sports.

In fall 2009, Madsen also assumed the role of co-head men's golf coach for the Bulldogs, joining Jim Berrey to help guide the Truman program.

He has already received accolades for his work with volleyball, as he was awarded the AVCA's Grant Burger Media Award for the South Central region following the 2008 season. Madsen is also a member of the MIAA's basketball tournament committee and has worked each of the past five seasons at the tournament - held at Municipal Auditorium in Kansas City - in various roles.

As an undergraduate student at Truman, Madsen was a student worker for the Athletics Department, serving as the primary contact for volleyball, women's basketball and baseball as a senior. He also played a major role in the execution of the 2007 NCAA Volleyball South Central regional.

Outside of athletics, Madsen also served four years in the University's Department of Residence Life as both a student adviser and assistant hall director while also taking a two-year leadership role with Fellowship of Christian Athletes. He also spent two years as a sports reporter for The Index, the campus newspaper. In that role, Madsen covered the 2005 men's soccer team that advanced to the Div. II regional championship (winning two national media awards for various feature and coverage articles), the 2005-06 men's basketball team that reached the postseason, as well as the 2006 volleyball team that finished the season 36-2.

Madsen is currently pursuing his MBA and is a native of Decatur, Illinois.

Young Squad Preps for MIAA Title Defense

The success of the 2009 Truman State University women's soccer team could be attributed to a wide combination of characteristics: timely goal scoring, a stalwart back line, balance at each position and a senior class that had experienced a high-level of success throughout its tenure.

But to capture a 10th MIAA title in 12 seasons, as predicted in the 2010 MIAA

Preseason Coaches' poll, head coach Mike Cannon will have to rely on an abundance of young talent to mesh seamlessly – and quickly – with six starters and four all-MIAA performers returning from an '09 squad that reached the second round of the NCAA tournament.

"We are going to be extremely young this year, and at the beginning, it's going to be all about figuring out where each piece fits in the puzzle," Cannon said. "We'll have to scrap and fight a little bit more this year, especially around the goal, after losing three big scorers for us over the past four seasons."

Two of those strikers – Riley Mahn and Jessica Wiegert – have since moved on, while the third – Katie Reuck – will now move to the outside of the sideline, taking over as the program's top assistant coach after being named an all-American midfielder as a senior. Mahn and Reuck finished their careers in the program's top-10 of all-time goal scorers, while Wiegert was on pace to lead the trio before an ACL injury in last season's opener sidelined her

for nearly three months before she was able to return for the season's final games.

But it's not as though the cupboard was left bare at the striker position, however, as MIAA freshman

Olivia Hayes returns for her sophomore season after posting a team-best 12 goals in 2009. She will look to lead what Cannon is calling a more possession-based attack, with senior Beth Bystrom (three goals, five assists in 2009), redshirt freshman Kirsten Vollmer and goalie-turned-forward Alison Taylor vying for time up top as well as target forwards.

To help build that possession and provide extra support, Cannon will count on a trio of midfielders who each played in all 22 games last season. Juniors Megan Buri and Jaclyn Schumann, along with sophomore Kelsey Twellman, bring back a combined eight goals and 11 assists from 2009 to maintain pressure in the front third of the field.

"Megan and Kelsey give us the experience that we'll need to fill Reuck's spot at center midfield, and Jaclyn is a very solid defensive midfielder for us that can sit in front of the backs to mark and start the transition," Cannon said.

Sophomore Heather Niebling also garnered significant action on the field as a redshirt freshman in 2009, serving as a gateway for Cannon to employ a variety of formations this season.

However, the calling card of Bulldog soccer has traditionally been a sturdy back line, which saw two of its then-senior members – Theresa Bauler and Kelsey Richters – earn first-team all-MIAA honors last year. Junior Jayne Grisham, an honorable mention selection at goalkeeper after posting ten shutouts and the lowest goals-against average in the MIAA last

season, returns between the pipes, while junior Amy Schnoes and sophomore Stasia Montgomery add two more pieces of veteran leadership to the defense.

"We have a lot of numbers in terms of per-

sonnel to play in the back, but it's not very set coming into the fall," Cannon said. "The big thing for us will be to develop leadership on the back line and replace both a wide back and center back that were very solid."

Nine players are designated as defenders on the pre-season roster, though senior Danielle Hill, who is listed as a forward, could see time out wide defensively. Redshirt freshman Emily McMeekin also impressed Cannon in spring scrimmages, though every spot on the field is up for claim, starting today with the first day of training.

"We had a few kids step up big in the spring and show us what they can do at different positions," Cannon said. "But there are opportunities for some freshmen to come in right away and step up to earn playing time. We do have a good core of players coming back, but just as a whole, we are very young as a group this year."

Truman will be tested out of the gate, traveling to the University of Central Oklahoma Classic on Sept. 3-5 to face Midwestern (Texas) State and the host Bronchos, who also reached the NCAA tournament last season.

Then, it's right into conference play for the 'Dogs, with home matches against Northwest Missouri (Sept. 9) and perennial-rival Nebraska-Omaha (Sept. 11) kick-starting the 18-game MIAA slate. Truman will take to the home pitch on Homecoming this year, hosting Missouri Southern on Oct. 16, and will recognize its senior class on Saturday, Oct. 30 against Washburn.

The MIAA schedule sets up a challenge early, with a stretch of six games of eight away from Kirksville following the home opening weekend. But, as a reward, Truman will host six of its final eight regular season games, so a fast start will be a major advantage in the quest for a 10th conference title.

"We'll get a good view early of where we sit, playing two tough regional matches away from home before starting the MIAA schedule," Cannon said. "There's a lot of youth not just with us, but with the conference overall this season, so it should be exciting to see how it all plays out."

TRUMAN

2004 SQUAD POSTS 19-1-2 MARK, RECORDS 21-GAME UNBEATEN STREAK

After an unbeaten regular season, the Truman soccer team hosted the NCAA Division II Central regional tournament at the Truman Soccer Park.

In the opening game of the tournament, the Bulldogs wasted little time in getting on the board. Sara Murray scored just 0:59 seconds into the game against South Dakota.

The Coyotes evened the score at the 22 minute mark only to watch the Bulldog tack on two more goals before the intermission for a 3-1 lead.

Stephanie Cepicky had the game winner at the 29 minute mark, while Anna Sonderman added the insurance goal in the 41st minute.

The Bulldogs advanced to play Nebraska-Omaha for the regional championship game. It marked the

third straight time the two teams had faced each other in the national tournament.

The Mavericks struck first with a goal in the 38th minute and took a 1-0 lead into halftime, but Robyn Mortenson knotted the game at one with an unassisted goal in the 60th minute.

Truman kept the pressure on but couldn't get the game winner in regulation.

UNO brought the season to a crashing halt with a goal that just hit the inside of the post three minutes into overtime for the win. It was Truman's only loss in the season.

KATIE REUCK

2009 THIRD-TEAM ALL-AMERICAN

Katie Reuck became the seventh Bulldog to earn all-American honors following her senior season of her three-year Truman career. She scored 20 goals after transferring from Rockhurst (Mo.) University prior to her sophomore season. She ranked 10th all-time in Bulldog scoring history and finished with 50 career points, adding ten assists to her 20 goals scored.

As a senior, she finished third on the squad with five goals and added three assists on the way to picking up first-team all-MIAA and second-team Daktronics all-region honors. Reuck was named to the all-MIAA first-team each of her three seasons in Kirksville and was a unanimous choice by conference coaches this season.

Reuck was the only player from the MIAA and was just one of three from the South Central region to earn all-American status in the 2009 season.

ANNA SONDERMAN

2004 SECOND-TEAM ALL-AMERICAN

Anna Sonderman was a steady force in the Bulldog midfield for four years and was rewarded her senior year by being named to the second-team all-America squad by the National Soccer Coaches Association of America. In 2004, Sonderman was third on the team in points with 20 on six goals and eight assists.

A three-time all-region pick and first-team all-conference selection, Sonderman was a focal point of a team that outscored their opponents 45-9 in 2004, including 15 shutouts.

Sonderman finished her career ranked third all-time in assists with 24 and eighth in points and ninth in goals. During her four years on the pitch, Sonderman helped contribute to 55 shutouts and an overall record of 71-9-5.

She was part of fourth straight MIAA championships and NCAA post-season appearances.

JENNIFER BUSCHER

2001 (THIRD-TEAM), 2002 (SECOND-TEAM)

Jennifer Buscher became the team's first two-time all-America at the conclusion of the 2002 campaign when she was named the NSCAA's second-team. She was named a third-team all-America in 2001. A defender, Buscher helped the 'Dogs make the NCAA tournament her final two seasons, and was an important cog in the Truman defense that led the nation with a 0.38 goals against average and allowed just 4.4 shots on goal per game and eight goals all season in 2001. Buscher also assisted in setting the school's team record for shutouts that season as the Bulldogs held 15 foes to a nil score in '01.

After missing the 2000 season with an injury, Buscher made up for lost time by helping the 'Dogs reach the NCAA Division II postseason tournament for the second time in the University's history, and their first-ever chance to host an NCAA game.

SARA MURRAY

2003, 2004 FIRST-TEAM ALL-AMERICAN

The only first-team all-American in school history, Murray repeated the honor in 2004 while leading the Bulldogs to an unbeaten regular season, sixth consecutive MIAA title and fourth-straight NCAA tournament appearance.

Besides owning all of the Truman and MIAA scoring marks, she was named the female winner of the Ken B. Jones Award. The award is given to the top male and female student-athlete regardless of sport in the conference. She was the first soccer player and first Truman female student-athlete to receive the honor.

She was a four-time first-team all-conference and all-region selection as well as freshman of the year in 2001 and MVP in 2003.

Murray was also a two-time second-team academic all-American.

She is currently only the 8th player in Division II to record 40 goals and 40 assists in a career.

LAUREN DAVIS

2004 THIRD-TEAM ALL-AMERICAN

Lauren Davis has followed the tradition of strong goalkeeping for the Bulldogs under Coach Mike Cannon. Davis became the second Bulldog netminder to earn all-American honors in the program history after a stellar 2004 season.

Of the 22 games played that year, Davis recorded a school and conference single-season record, 15 shutouts. She finished fourth in all of the NCAA Division II among keepers in goals-against average with a 0.40. Davis allowed only nine goals in the 22 games and went six consecutive contests without allowing a tally.

She was named first-team all-conference for the second straight year and first-team all-region for the first time in leading the Bulldogs to their sixth-straight conference title and fourth straight trip to the NCAA Division II national tournament.

EMILY HUYCK

2001 SECOND-TEAM ALL-AMERICAN

Emily Huyck was named an NSCAA/adidas second-team all-America in 2001 after leading the nation with an 0.38 goals against average as the Bulldogs earned their first-ever home game in the NCAA Division II postseason tournament. She shut out a Truman record of 43 opponents from 1998-01.

Huyck played a little more than 5,869 minutes in goal for the 'Dogs during her tenure, the second-most ever by a Bulldog goalkeeper. Unfortunately, she saw limited action as a freshman behind another outstanding Truman netminder, Jenny Miller.

Huyck allowed just eight goals in her final season, but limited opponents to seven goals in 1999, tying the school record set by Miller the previous season.

Huyck left her name in many places in the Truman, MIAA and NCAA record books, and shares the Division II standard for single season solo shutout percentage (0.74) after holding 14 of 19 teams scoreless in 1999.

JOCELYN PARISI

1997 SECOND-TEAM ALL-AMERICAN

In 1997, the soccer team had several firsts. Not only did it advance to the playoffs for the first time in school history, but a Bulldog was named all-America.

Forward Jocelyn Parisi was named to the NSCAA second-team all-America list following Truman's post-season run. She was also named NSCAA first-team all-Central region along with teammate Kim Mannion.

In '97, Parisi moved forward from the midfield where she played during her freshman and sophomore seasons. She scored 15 points on four goals and seven assists during her first two seasons. As a junior, Parisi posted career highs in every category.

She ended her career in 1998 with 76 games played, 156 shots, nine goals, 19 assists and 37 points. Her 19 career assists ties her for fifth all-time at Truman, and Parisi's 156 shots are the fourth-highest career total by a Bulldog. Parisi is tied for second among Truman career leaders in games played and is ninth in points.

SARA MURRAY WINS LEAGUE'S TOP AWARD

The Mid-America Intercollegiate Athletics Association's top honor bestowed on a student-athlete was awarded to Truman women's soccer player senior Sara Murray at the conference's annual awards banquet in Kansas City in 2005. Murray was named the women's recipient of the Ken B. Jones Award, the first Truman student-athlete to win the award since 1999-2000 and the first women student-athlete from Truman, in the 12 year history of the award.

Murray was not only the first Truman female to win the award, but the first soccer player in the league's history to be awarded the top prize. Murray holds all of the Truman and MIAA career scoring marks along with being named first-team all-conference four straight years and a two-time first-team All-American.

In addition to her on-field accomplishments, Murray was an ESPN the Magazine Academic All-American and was awarded an NCAA Postgraduate scholarship. She is a three-time member of the MIAA Commissioner's Academic Honor Roll and received the Dean's Award for Excellence at Truman in May.

She was named conference freshman of the year in 2001 and the most valuable player in 2003. This season, she was part of a Bulldog squad that was undefeated in the regular season going 18-0-2. The team claimed their sixth-straight MIAA title, the only conference school to ever with the conference championship, and fourth-straight trip to the NCAA Division II national tournament.

The Ken B. Jones Award has been given annually since the 1993-94 season recognizing the top junior or senior student-athlete in the conference based on athletic accomplishments, academic accomplishments and community service. The award is named for the conference's first full-time commissioner, who retired in 1997 and passed away last May. An 11-member panel, represented by each conference school, selects the one male and one female student-athlete.

Division II

WHAT IS DIVISION II?

Division II (or DII) is an intermediate-level division of competition in the National Collegiate Athletic Association. It offers an alternative to both the highly competitive (and highly expensive) level of intercollegiate sports offered in NCAA Division I and to the non-scholarship level offered in Division III.

Division II teams usually feature a number of local or in-state student-athletes. Many Division II student-athletes pay for school through a combination of scholarship money, grants, student loans and employment earnings. Division II athletics programs are financed in the institution's budget like other academic departments on campus. Traditional rivalries with regional institutions dominate schedules of many Division II athletics programs.

DIRECTOR OF ATHLETICS

Jerry W. Wollmering was named the Director of Athletics at Truman in September of 1999.

Since coming to Kirksville, Wollmering has helped Truman be one of the top athletics departments in NCAA Division II -- both athletically and academically.

The Bulldogs have finished in the top-10 in the Directors' Cup standings in six of the 11 years Wollmering has been at Truman. In 2003-04, he led the athletics program to a third-place finish in that national program, the highest ever for an active member of the MIAA at that time.

Academically, Truman regularly ranks among the top schools in the MIAA and in the nation in graduation rates. In the latest NCAA Academic Success Rate date, 11 of the 17 sports counted had a 100% success rate.

Wollmering has also served the MIAA as chair of the finance committee and been a member of the NCAA Division II Swimming & Diving Committee.

Prior to coming to Truman, Wollmering served as associate athletics director of finance and administration at Bowling Green State University in Ohio since January of 1998. He was also the assistant athletics director for financial affairs for two years at BGSU, prior to his becoming an associate AD.

Wollmering earned a bachelor's degree in business administration and accounting from Drake University in 1987, and a master's degree in physical education and athletic administration from Kent State University in 1993. He is also a certified public accountant with experience as an auditor.

Before arriving at Bowling Green, Wollmering was an assistant athletic director at Southeast Missouri State University, a Division I program, for approximately 18 months. While working on his master's degree, Wollmering was a graduate assistant to the athletic director at Kent.

A native of Ft. Madison, Iowa, he was a varsity letterman in cross country and track at Drake. Wollmering and his wife, Alicia, have three daughters: Leah, Erica and Kate.

ASSOCIATE ATHLETIC DIRECTOR

Linda Anderson joined the Truman Athletics department in 2007 as Associate Director and Senior Women's Administrator.

During her time at Truman, she has served as the department's compliance officer and been a liaison to the campus in various capacities.

Anderson have been involved in athletics for over 25 years last serving as Director of Athletics at Maryville University in St. Louis the three years prior to coming to Truman.

While at Maryville, she worked with the School of Business to develop a Sports-Administration emphasis while adding men's and women's track and field and also served on committees with the St. Louis Intercollegiate Athletic Conference.

SPORTS MEDICINE

The training room is home base for the sports medicine program at Truman State University. The purpose of the program is to work toward the prevention of athletic injuries, care for those injuries that do happen and work for complete recovery through rehabilitation so that the student-athlete can return to competition as safely and quickly as possible. The program works under the direct supervision of three full-time experienced trainers and two physicians. If an athlete should be injured while participating in an intercollegiate sport, they will be evaluated by a highly competent training staff member and treated as needed or referred to necessary medical personnel.

The main training room is on the lower level of Pershing Building just off the northeast corner of Pershing Arena. Both the head athletics trainer's and assistant athletics trainer's offices are located in this area. The student trainers assigned to each sport also use this as their main area of contact.

It contains 7 treatment tables and 2 taping tables. Two whirlpools, muscle stimulation, ultrasound, and a variety of other modalities are available to treat injured athletes. This athletic

training room also contains rehabilitation room containing a variety of rehabilitation equipment

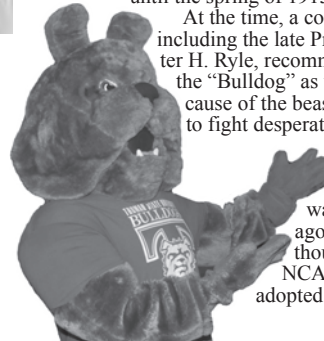

A secondary training room in the football kennels, located south of Pershing Building, is mainly used during fall and spring practices because of its proximity to the football practice field and outdoor track. It contains eight treatment tables, four taping tables, and three whirlpools. This facility is equipped with modalities and rehabilitation equipment similar to that in the Pershing athletic training room.

WHAT'S IN A NICKNAME?

Why was the nickname, Bulldogs, selected for Truman State University? O.C. Bell in 1908 referred to his performers as Bulldogs, but it wasn't an official designation. So far as is known, this term wasn't used again until the spring of 1915.

At the time, a committee of students, including the late President Emeritus Walter H. Ryle, recommended the adoption of the "Bulldog" as the official emblem because of the beast's tenacity and ability to fight desperately to the end.

The spirit of the Bulldog has been evident since the name was selected 90 years ago. It's not unique though, as at least 16 NCAA schools have adopted the "Bulldog".

2009-10 BULLDOG HEADLINES

TWO INDIVIDUAL NATIONAL TITLES HIGHLIGHT 09-10

On March 11th and 12th, two Truman State University student-athletes were crowned individual national champions in their respective sports. Senior Pole Vaulter Katrina Biermann and senior swimmer Kate Aherne captured events as part of the NCAA Division II Winter Championships.

Biermann became just the fifth Truman Women's Track & Field athlete to win a national championship and first since Christina Winkler in 2004.

The Liberty, Mo. native entered the national meet after becoming the first female pole vaulter in the Mid-America Intercollegiate Athletics Association to top 13 feet in either indoor or outdoor version of the event. She had won six Pole Vault competitions this season including the MIAA championships two weeks prior to nationals.

At the national meet, held in Albuquerque, New Mexico, Biermann needed all three attempts before finally clearing 12-10.00 to join four other competitors that had made that mark.

The bar was moved up to 13-01.75 and Biermann cleared it on her first attempt. Lauren Stelten of Minnesota State University-Mankato, also cleared that height but did so on her second attempt.

The two remaining foes saw the bar adjusted up four more inches. Biermann missed on all three attempts and watched as Stelten had the final crack at the national title.

Stelten missed so by virtue of Biermann clearing the previous height first, she was declared the champion.

With the championship, Biermann joined Winker (2004), Saundra Hester (1990), Marlene Frahm (1985) and Deb Carter (1977).

Biermann also earned her fourth all-America honor as she took sixth place in the Triple Jump with a school record mark of 39-08.00.

Nearly 1,600 miles away Aherne capped off her remarkable swimming career by capturing her third straight title in the 200-yard individual medley at the NCAA Division II Swimming & Diving Championships in Canton, Ohio.

Aherne became the first Bulldog swimmer to capture three individual national championships and only the second Truman student-athlete to win three titles during their career. Larry Jones won three straight track championships in 1972, 1973 and 1974.

The Cary, Ill native and Cary-Grove graduate bested everyone in her final heat by nearly 1.5 seconds in the 200 IM finals, setting both NCAA and school records with a time of 2:00.56.

After 100 yards, Aherne trailed both Alexandra Henley from UC-San Diego and Yuan Qang Li from Drury, but saved her best for last in propelling past both in the breaststroke to take the lead into the final 50-yard stretch.

From there, Aherne closed it out, posting a time of 27.35 in the final 50-yards of freestyle – more than a second faster than any other competitor – to capture her third straight national championship.

Aherne wasn't done on that night, as she took second place and recorded her 22nd career all-American award in the 50-yard freestyle with a time of 23.10. She came in .33 seconds behind Jackie Borkowski from West Chester for first place and was .13 seconds better than Ashland University's Julie Widmann, who finished third.

At the meet's conclusion, Aherne had won seven more All-America awards to cap off her Truman Swimming career with 27. She was also a member of the 800 Free Relay team that captured the national title back in 2008 to finish with four total national championships.

CHAMPS FOR NINTH TIME

The Truman women's soccer team captured its ninth MIAA title in 11 years and advanced to the 2009 NCAA tournament after earning the conference's automatic qualifier.

The Bulldogs traveled to Canyon, Texas for first and second round action, taking on rival Nebraska-Omaha in the opening round. Senior Riley Mahn headed in a corner kick early in the second half to send the Bulldogs to the second round against the region's top seed, West Texas A&M.

However, the 'Dogs couldn't find pay-dirt in its next match and fell, 1-0, to the host Lady Buffaloes.

The squad had seven players named MIAA all-conference, including a league-best five to the first-team. Seniors Katie Reuck, Kelsey Richters and Theresa Bauler were joined by sophomore Megan Buri and freshman Olivia Hayes on the first-team, with Hayes picking up conference freshman of the year honors.

Freshman Kelsey Twellman received second-team accolades, while sophomore Jayne Grisham was named an honorable mention goalkeeper. Head coach Mike Cannon garnered his eighth MIAA coach of the year award.

Of those seven, Five were named to the NSCAA South Central all-region team, as both Reuck and Hayes picked up first-team accolades. Grisham (second-team), Bauler (third-team) and Buri (third-team) were also selected.

M'CALL NAMED FIRST TRUMAN RHODES SCHOLAR

Nov. 23, 2009 - Andrew McCall, a senior men's swimmer at Truman State University, has been named a Rhodes scholar, placing him in a distinct group, and making him the first Truman student to be so honored.

Rhodes scholars were announced Sunday. McCall, a philosophy and religion major from St. Louis, Mo., was among the 32 recipients. Captain of the swimming team, he is five-time Division II All-American in swimming and a violinist in the University Symphony.

The Rhodes scholarship, created in 1902, covers all expenses of two to three years of study at Oxford University in England. McCall plans to read for the Bachelor of Philosophy at Oxford beginning in the fall of 2010.

Elected to Phi Beta Kappa as a junior, McCall has also taken courses in Vienna, Austria and at the University of Colorado.

"Andrew is an exceptional student and we are so pleased the selection committee chose to recognize him for his talents and abilities while attending Truman," University President Darrell W. Krueger said. "This is a wonderful honor for Andrew and it validates the quality of education our students receive."

McCall was the only student of the 32 recipients to be a school's first-ever Rhodes scholar. Harvard University led all schools this year with five Rhodes scholars. Massachusetts Institute of Technology had three, while Yale University, the University of North Carolina and the U.S. Military Academy each had two recipients.

SHARPE EARNS NATIONAL AWARD

Truman volleyball headed to the NCAA tournament for the 10th straight season and 11th time overall, as the Bulldogs received the No. 6 seed for the 2009 South Central regional. The Bulldogs finished the season with an overall 24-13 record and had Sharpe be named the AVCA's National Freshman of the Year. She was also an honorable mention all-American while picking up second-team all-conference honors.

Lauren Graybeal (2nd-team), Casey Bruno (3rd-team), Erin Hattey (HM) and Ashley Petak (HM) also received all-conference accolades.

NESBITT RETURNS TO GUIDE FOOTBALL

Dec. 7, 2009 – Truman State University Director of Athletics Jerry Wollmering announced that former Bulldog standout Gregg Nesbitt has been named the football program's next head coach.

Nesbitt, a native of Hannibal, Mo., received both his bachelor's and master's degrees from Truman while playing for the Bulldog Football team from 1976-1979. He earned his bachelor's degree in 1980 before adding his master's degree in 1987.

"I am tremendously excited and proud to take over the reins of our Truman Bulldog football program," said Coach Nesbitt. "This great university helped equip me for this profession 30 years ago and also is where I was blessed to meet my wife Jackie."

"We have fond memories of our early days as undergraduates and the years when I returned here as the defensive coordinator in the early 90's," Nesbitt said. "This will be the biggest challenge I have been a part of thus far in my coaching career, and we are anxious to begin the 'hard work' it will take in our attempt to restore the 'Bulldog' pride."

ACADEMIC TITLE FOR WRESTLING

For the sixth time in program history, the Truman wrestling team has captured the NCAA Div. II Wrestling Coaches Association team all-Academic Championship, coming in with a team grade-point average of 3.467. The award also marks the fourth straight Academic Championship for the squad.

Under the direction of head coach Dave Schutter, Truman becomes the first program to win the championship in four consecutive years.

VANGENNIP SETS RECORD

Senior pitcher Richelle vanGennip broke the school record for single-season strikeouts this past season for the Bulldog Softball team. vanGennip fanned 230 hitters during the season, including 14 against Oklahoma Panhandle State on Feb. 27th.

vanGennip tossed the first no-hitter since 2005 in a victory over Southwest Baptist and had two one-hitters during the season. She also became the first Bulldog since 2004 to hit two grand slams in a season.

For her efforts, she was named to the honorable mention all-conference team. Joining her on the honorable mention squad was senior Erica LaCombe and freshman Laura Miller.

TRUMAN SOCCER PARK - HOME OF THE BULLDOGS

The Truman Soccer Park was constructed in 1982 and was used for the first time in 1983.

Located southeast of Campbell apartments, the park features a natural grass pitch and practice field with an in-ground irrigation system running in an east-west direction.

There are aluminum bleachers on the north side of the playing field for approximately 250 people. In 2003, the park added additional space to accommodate temporary bleachers for larger crowds. The north side also features a wooden press box area that has a capacity for six media personnel, statisticians and camera persons. Admission to the press area is by pass only.

The player's benches are located on the south side of the playing field with both team's locker facilities located at Pershing Arena.

The field played host to its first NCAA tournament game in 1995 when the men's team took on Mercyhurst (Pa.) in quarter-final action of the NCAA Division II Tournament. The women's

soccer team hosted its first NCAA games in 2001. The largest crowd to see a game at the park was just over 900 for the 2003 Men's National Quarterfinals against Findlay Univ. (Ohio).
