TRUMAN LOOKING TO MAKE POSTSEASON RUN AGAIN IN '09

With six all-MIAA players, four all-region picks and seven overall starters returning for the 2009 season following a run to the National Quarterfinals in 2008, opposing coaches agreed early on that the Bulldogs could contend for their ninth MIAA championship in 11 years and make a deep run in the NCAA tournament once again. Truman was picked No. 7 in the national NSCAA preseason ranking and No. 2 in the MIAA (separated from first-place pick Central Missouri by just three points) prior to the start of a season that could spell great things once again for the MIAA's all-time top program.

Three-time all-MIAA Senior Jessica Wiegert

Following Central Missouri and Truman in the MIAA preseason poll were Nebraska-Omaha and Washburn - the conferenceís two other NCAA tournament representatives last season - followed by Southwest Baptist, Northwest Missouri, Missouri Southern, Emporia State and Missouri Western.

"The poll results are pretty much what I expected, since neither us nor Central lost much from last season," head coach Mike Cannon said. "This preseason poll ended up being a replica of how the conference ended last season, and we're excited to get going."

Cannon returns for his 17th season along the sidelines for the women's program and is far and away the program's most successful coach. He is not only the program's all-time winningest coach with 216 wins and a .719 winning percentage, but he ranks ninth in all of Div. II in victories and has been named the MIAA coach of the year seven times.

This year's squad is one of the largest numbers-wise under Cannon, as 31 players entered fall camp, including a freshman class that includes a dozen players. They, however, will predominantly spend the year practicing under an otherwise experienced Bulldog squad that features eight seniors to go along with three juniors, six sophomores and a pair of redshirt freshmen.

Forwards

Two-time all-MIAA Senior Katie Reuck

With 2008 marking the most goals scored since the 2004 program's 19-1-2 season, the Bulldogs appear to be well-equipped on the front line with a pair of double-digit goal scorers returning up top. Three-time all-MIAA senior Jessica Wiegert brings her 27 career goals back for one more season and will be alongside fellow senior and 2008 all-region selection Riley Mahn. The duo posted similar stat lines in 2008, with each tallying 10 goals and three assists.

"We are lucky to have a ton of experience and talent on the forward line again this year," Cannon said. "This should translate into a great offensive year for the team overall."

They'll be joined by three returners in senior Isabel Gaeta (11 career goals) and juniors Danielle Hill and Beth Bystrom. Freshman Olivia Hayes, who was a proven goal scorer at the high school level, will also compete for playing time off the bench.

Midfielders

The threat of goal-scoring won't stop with the front line on the 2009 Bulldog squad, as senior Katie Reuck (15 career goals) returns at central midfield following back-to-back first-team all-MIAA honors. Senior Katie Hinrichs and sophomore Jaclyn Schumann - who each saw action in all 23 games for the Bulldogs last season - will also see a significant portion of playing time alongside Reuck this year.

2009WSMG:Layout 1 8/19/09 2:03 PM Page 5

Out wide, all-MIAA sophomore Megan Buri and senior Kristin Haluszczak return, while a quartet of freshmen - Kelsey Twellman, Hannah Luerding, Carly Bolliger and Emily McMeekin - will vie for playing time out of the gate.

"The midfield will be a good mix of veteran experience and youthful talent that will hopefully be an effective engine room for the possession-style we like to play," Cannon said.

Defenders

Senior Theresa Bauler

The Bulldogs will have to replace a four-time all-MIAA player in Kim Wolff, but do have a handful of experience returning through a pair of all-conference defenders - seniors Theresa Bauler and Kelsey Richters. Getting the opportunity to fill the void include sophomore Amy Schnoes, who tallied three assists as a defender last season, and junior Jillian Chrischilles.

"The backline will be a great mix of experience with two fifth-year seniors teaching a younger group of defender the subtleties of our system this fall," Cannon said.

Goalkeepers

Having gone without an all-MIAA goalkeeper since Lauren Davis' 2006 second-team nod, Cannon will look to a young, yet deeper, net-minding staff for the 2009 campaign. Sophomore Jayne Grisham, who saw limited time during the regular season but started each of the team's post-season contests, enters camp as the predominant favorite at the position.

However, redshirt freshman Alison Taylor and true freshman Emily Bozdeck each will be fighting for playing time in what Cannon believes will be a competitive battle all season.

"We will be young and a bit inexperienced on paper in goal, but we feel the keeper position will be a strength for us the next few seasons, starting this year," Cannon said.

Schedule

With a 20-game slate and eight other MIAA schools, little room is typically left for non-conference foes, leaving Cannon the task of creating an early season schedule that rewards his squad late in the season come tourney time but also allows an adjustment period out of the gate. However, all four non-conference contests will be key this season, as each will count towards the squad's regional record.

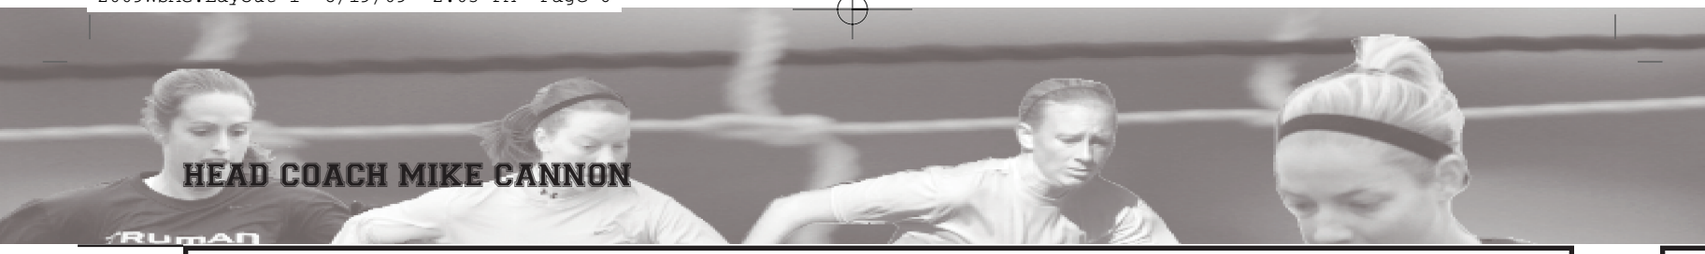

Sophomore Megan Buri

A pair of Friday/Sunday weekends kick-start the 2009 campaign, as the Bulldogs will face GLVC-rivals Drury (home) and Quincy (road) before returning over Labor Day weekend to host the 2009 Truman Classic. A cross-over event, St. Edward's (Texas) and Central Oklahoma will venture north to Kirksville from Heartland and Lone Star conference country to face both the Bulldogs and Nebraska-Omaha from the MIAA.

While last season's MIAA schedule saw the Bulldogs hitting the road for eight of the first 11 conference matches, this season features the exact opposite, as four September and three early October home contests grace the schedule. Truman will need to look to build a buffer in the standings early, as the end of the regular season proves unkind with five straight road affairs.

"Just like last year, the MIAA continues to improve, so there are no easy games at all," Cannon said. "All four non-conference regional games will be major tests as well, so we will have our work cut out for us again this fall."

Mike Cannon

COACHING HISTORY:
17TH SEASON (HEAD COACH)

EDUCATION:
TRUMAN STATE UNIVERSITY (1992)
B.S. English

NOTABLE ACHIEVEMENTS:
ALL-TIME WINNINGEST TRUMAN COACH
NINTH IN DIV. II ALL-TIME VICTORIES
85% MIAA WINNING PERCENTAGE
SEVEN-TIME MIAA COACH OF THE YEAR
EIGHT MIAA CHAMPIONSHIPS

Mike Cannon enters his 17th season at Truman in 2009 and is the most successful coach to lead the Bulldog program during its 24 years of existence.

With a career record of 216-76-27 (.719), Cannon is the winningest coach in Truman women's soccer history and was ranked ninth in victories among all-time Division II coaches entering the 2008 fall season. During his tenure as coach, Cannon has had six players named to the all-American squad by the National Soccer Coaches Association of America (NSCAA) and landed 47 on all-region teams with 19 first-team selections.

When it comes to MIAA play, the Bulldogs have been the most dominant team in the league's history, having won nearly 85% of their conference games by compiling a combined 94-14-12 record in ten seasons. Four players have been named the MIAA's Most Valuable Player, while an even 100 players have been named all-conference, an average of ten per season, since the league added women's soccer as a conference sport in 1999.

In 2008, Cannon became only the ninth coach in Div. II women's soccer history to win 200 matches when the Bulldogs dispatched Quincy (Ill.) 1-0 in the season opener. Later in the campaign, Truman advanced to the NCAA Div. II National Tournament's second weekend for the first time since 2001 and host both Sweet 16 (a 2-1 win against Texas A&M-Commerce) and National Quarterfinal (a 1-0 loss to eventual National Champion Seattle (Wash.) Pacific) matches at the Truman Soccer Park. That followed a first-round bye and a second-round 1-0 win in Canyon, Texas against MIAA-foe Washburn University.

Cannon's teams have won eight of the ten MIAA titles the conference has offered and have been to the NCAA post-season seven times. His 2007 squad captured the MIAA conference tournament title in the only year of its existence after sharing the regular season championship.

He has been named MIAA Coach of the Year seven times - most recently in 2007 - and was the Central Region Coach of the Year in 2001.

Cannon's on-field team success can be matched by his players' performance in the classroom as well. Two Bulldogs have been named academic all-Americans, while numerous players have been mentioned on the MIAA Commissioner's Academic Honor Roll.

From 2001-04, the Bulldogs compiled a record of 71-9-5 (.865), which is second best in the NCAA Division II during that period.

In 1997, he led the Bulldogs to their first playoff appearance and advanced the team to the NCAA Division II quarterfinals. That year, Cannon became Truman's winningest coach with a 3-0 win over Baker University on Sept. 27. He posted his 100th career victory in 2001 in a 3-0 defeat of MIAA rival Northwest Missouri.

Cannon was named head coach of the Bulldogs in 1993 after serving as an assistant coach for the Truman men's soccer team in 1992. From 1988-91, Cannon played for Truman as a marking back and midfielder and was named the team's most valuable player his senior year.

As a junior, he was selected as the Bulldogs' most improved player for his contribution during a campaign in which the men's team qualified for the DII playoffs for the first time. During the summers of 1996 and 1997, Cannon spent time on the pitch as a defender for the Des Moines Menace of the United Systems of Independent Soccer Leagues (now called the United Soccer League). He was selected to play in the USISL all-star game in '96 and served as team captain in '97. Cannon's efforts helped lead the Menace to the regional playoffs both years.

He graduated in 1992 from Truman with a bachelor's degree in English.

MARTIN CLAYES

COACHING HISTORY:
SECOND SEASON (TRUMAN)

EDUCATION:
TRUMAN STATE UNIVERSITY (2006)
B.S. EXERCISE SCIENCE

Former Truman men's soccer player Martin Clayes returns to Kirksville this fall for his second season as the top women's soccer assistant coach. Clayes was a four-time letterwinner from 2002-2005 and was part of two NCAA Tournament teams, including the 2003 squad that advanced to the NCAA Elite Eight.

Clayes led Truman's squad in assists all four seasons and currently sits second on the program's all-time career assist chart with 38. He was a first-team all-American in 2005 after leading the team to a Sweet 16 appearance, scoring a team-leading nine goals and dishing out a team-best 16 assists for 34 total points. His 98 career points (30 goals, 38 assists) is also good for second-best in Truman history.

He was an all-region selection in both 2004 and 2005, and he was also named Team MVP each of those seasons.

Clayes assisted men's head coach Duke Cochran with the 2006 men's squad before working as a personal trainer in St. Louis.

He played with the St. Louis Lions of the USL in both 2007 and 2008, earning the 2007 midfielder of the year award from the Lions coaching staff. While playing for St. Louis, Clayes started all but one game and was a team captain in 2008.

Clayes continued coaching with a U14 club in St. Louis and at St. Albans HS.

Martin and his wife Allie live in Columbia.

ADAM CLINE

ASSISTANT ATHLETIC TRAINER
6TH SEASON @ TRUMAN

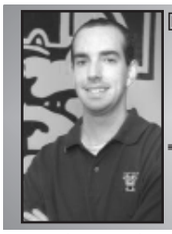

Adam Cline, ATC, is beginning his sixth season as an assistant Athletics Trainer for the Bulldog athletics program.

Cline earned his undergraduate degree in Sports Medicine and Athletic Training at Missouri State University (formerly Southwest Missouri State) in 2002 before completing his Masters of Education in Physical Education at Valdosta (Ga.) State in 2004.

Cline is a faculty member in both the Athletic Training and Exercise Science majors at Truman. The Athletic Training Major is an accredited program that prepares graduates to become certified athletic trainers.

He has been published in the Journal of Sports Science and Medicine and has more than ten years' experience in CAATE accredited athletic training education programs.

Adam and his wife, Melissa, live in Kirksville with their daughter, Ella.

TYLER MADSEN

ATHLETICS MEDIA RELATIONS ASSISTANT
2ND SEASON @ TRUMAN

Tyler Madsen took over as Truman's Athletics Media Relations Assistant in June 2008 after obtaining a Bachelor of Science degree in Exercise Science from Truman.

Madsen and Sports Information Director Kevin White prepare and disseminate media guides, game programs and press releases regarding the activities of all campus intercollegiate athletic teams. Their office also maintains official statistics and records for all 21 of Truman's sports.

He was recognized by the AVCA as the South Central region's top SID in the summer of 2009 for his work with the 2008 Bulldog volleyball team. The squad went 33-8 and reached the NCAA national semifinals.

Madsen is currently a member of the MIAA's basketball tournament committee and has worked each of the past four years at the tournament in various roles.

As a May 2008 graduate, Madsen specialized in Sport and Recreation Management and was a student worker for the Athletics Department throughout his undergraduate career. He served as the primary contact for volleyball, women's basketball and baseball as a senior and played a major role in the execution of the 2007 NCAA Volleyball South Central regional.

Madsen is a native of Decatur, Illinois, and a graduate of Decatur Christian High School.

BULLDOGS CATCH FIRE LATE; ADVANCE TO NATIONAL QUARTERFINALS

Every season has a turning point, and for the 2008 Bulldog women's soccer team, theirs came following a 1-0 loss at Southwest Baptist on Oct. 11, marking an 0-2-1 stretch against SBU and Central Missouri that left the squad with a 5-3-1 MIAA mark and a nearly 10-point deficit to make up against the conference-leading Jennies.

Junior Riley Mahn tied for the team-high in goals (10)

From that point, Truman caught fire in every aspect of the game - finishing the regular season with a 6-0-1 mark before advancing all the way to the NCAA national quarterfinals. The 'Dogs averaged nearly 2.5 goals per game in their final ten and surrendered just six total to help secure the program's best finish since a similar run to the final eight in 2001.

Truman made a name for themselves early, knocking off two ranked regional opponents during the course of the first two weekends, as the purple and white dispatched 25th-ranked Quincy, 1-0, in the season opener before upsetting No. 9 Central Oklahoma on the road, 2-0, the following Friday. Two additional regional wins - a 1-0 victory against Midwestern (Texas) State and a 7-1 thrashing of Southwestern Oklahoma State - propelled the 'Dogs into conference play with a perfect 4-0 mark.

A pair of 2-1 decisions against Northwest Missouri and Washburn kicked off the MIAA season, as Truman took a 1-0 lead in both, surrendered a tying goal, then came back for the final game-winner against a pair of teams picked in the top half of the conference's coaches' preseason poll. An odd schedule quirk put the Bulldogs on the road for eight of their first ten MIAA matches, including a stretch of five straight starting with the game in Topeka against WU.

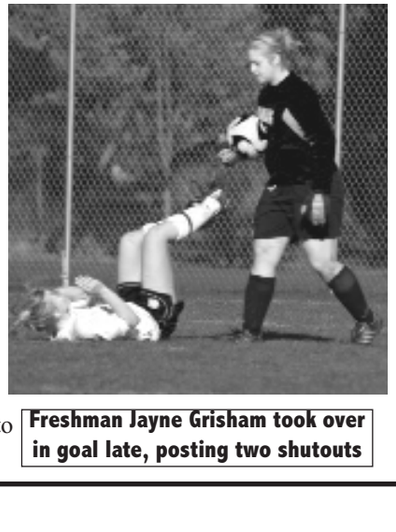

The Bulldogs maintained their status as road warriors, breaking down a pesky Emporia State squad 1-0 before getting second-half goals from returning all-MIAA juniors Katie Reuck and Jessica Wiegert to beat Missouri Southern, 3-1, and move to 8-0 overall (4-0 MIAA).

All of the traveling during the first month of the season finally caught up to the Bulldogs when the squad visited long-time regional-foe Nebraska-Omaha. The 2008 season marked the first for the Mavericks as members of the MIAA, meaning the postseason rivals would now meet twice a season in an already competitive MIAA. The squads played evenly through the first 55 minutes, but UNO blitzed Truman with two goals in 24 seconds to halt Truman's eight-game winning streak with a 2-0 decision.

After wrapping up the five-game trip with a 3-1 victory at Missouri Western, the Bulldogs returned home for a Saturday afternoon showdown with Southwest Baptist. Truman scored twice early in the second half on goals from junior Riley Mahn and senior Brigitte Pohren, but the conference's top offense awoke from its slumber late - tallying two goals of their own in the final minutes and holding on for a 2-2 draw.

What had been a potent Bulldog offense failed to make a presence over the next two matches, as Truman dropped back-to-back 1-0 decisions at UCM and SBU - marking a winless three-match stretch.

The 'Dogs had one final road show of the regular season - at Northwest Missouri State on October 16. After falling behind, 2-1 in the 52nd minute, Truman turned to a pair of its leading goal scorers, Reuck and Mahn, to put the ball away in the 68th and 77th minutes respectively and get the Bulldogs back on a winning track.

Freshman Jayne Grisham took over in goal late, posting two shutouts

With six straight at home to wrap up the regular season, the Bulldogs knew golden chances to improve themselves both in the MIAA and the South Central region were at stake. The squad got off to a good start, pounding out 27 shots (14 on goal) while holding Missouri Western to just four total in a 2-0 shutout.

A rematch against UNO awaited on a Monday afternoon at the Truman Soccer Park, and on a day when Katie Reuck became the second Bulldog to receive MIAA player of the week honors (Riley Mahn was rewarded for her play in the second week of the season), it was Jessica Wiegert who stole the show - tallying a hat trick in a 4-1 Bulldog victory against a Mavericks bunch who sat just one point back in the standings coming into the match.

Back-to-back shutouts by goalkeepers Denise Childress and Jayne Grisham led the Bulldogs into

2009WSMG:Layout 1 8/19/09 2:06 PM Page 21

a Saturday afternoon affair with Central Missouri. Following a first-minute penalty kick conversion for the Jennies, Truman bounced back with a goal in the 68th minute by Mahn - her eighth of the season at that point. Only ten minutes later, senior Katelyn Talcott floated a cross that caught just enough wind to sneak inside the top right corner of the net for her first of the season and a 2-1 Bulldog edge.

The Jennies would respond, though, and in the 85th minute, Alyssa Rhodes knotted the match at two apiece. And while Truman dominated the overtime periods, outshooting UCM 8-3, the 'Dogs couldnít find pay-dirt and settled for a 2-2 draw with the conference's top team.

One final comeback was needed in the regular season's final game against the most unlikely of opponent, as a 4-13 Emporia State squad jumped ahead, 1-0, before a Mahn goal right before the half prefaced a tally by Wiegert just seven minutes into the final 45 to wrap up the regular season on a seven-match unbeaten streak.

Senior Jessica Wiegert picked up first-team all-region recognition

Though there was little doubt, the Bulldogs still had to wait on Selection Sunday to find out their fate for the NCAA Div. II postseason tournament. The news was double-sided: Truman earned the South Central region's No. 2 seed, but would have to travel to Canyon, Texas - the site of 6th-seeded West Texas A&M - for their opening weekend. No. 3 Washburn also made the trek south as the third team as part of sub-regional B and would face the host Lady Buffs in round one. WU advanced, setting up a third meeting with the Bulldogs in the tournament's second round.

On a windy, hot day in northern Texas, the Bulldogs got on the board early with a goal by Brigitte Pohren, off a feed from freshman Megan Buri, and made it stand up in a 1-0 final. Freshman Jayne Grisham got the nod between the pipes and earned the shutout after stopping three shots.

In a twist of fate, the Bulldogs won the right to host the regional championship and national quarterfinal in Kirksville following 5th-seeded Texas A&M-Commerce's upset of top-seeded Central Missouri in sub-regional A. Joining the Bulldogs and TAMC in Kirksville would be a pair of schools from the Far West region - Seattle Pacific, the nation's No. 4 squad, and Western Washington, the nation's 12th-best team.

Thursday, November 20th was as cold as a Thursday in late-November in Missouri should be, as temperatures plummeted into the low-30s by game time. SPU braved the cold and beat WWU, 1-0 in double overtime, prior to the Truman/TAMC match. Then, in front of 340 fans, the Bulldogs put the pressure on early, as Mahn scored her team-leading tenth goal of the season in the 16th minute on a rocket before Talcott converted a penalty kick in the 40th minute to send Truman into the break holding a two-goal edge.

The Lions responded quickly though, scoring just two and a half minutes into the second half and cutting the Bulldog lead to one. Few chances presented themselves to either team the rest of the way until Grisham made a save in the 90th minute on a shot from just inside the 18-yard box to preserve the 2-1 Truman win and book a spot in the national quarterfinals.

Freshman Jaclyn Schumann was one of two freshman to start all 23 games

A formidable and experienced Falcons team awaited in the quarterfinals, as SPU was looking to get back to the semifinals for the second straight season. A scoreless first half saw many chances for the visiting Falcons, before they finally converted in the 55th minute off a volley at the top of the box. Truman had limited chances, totaling just eight shots on the day, and couldnít sneak one into the net - falling 1-0 to the eventual national champions.

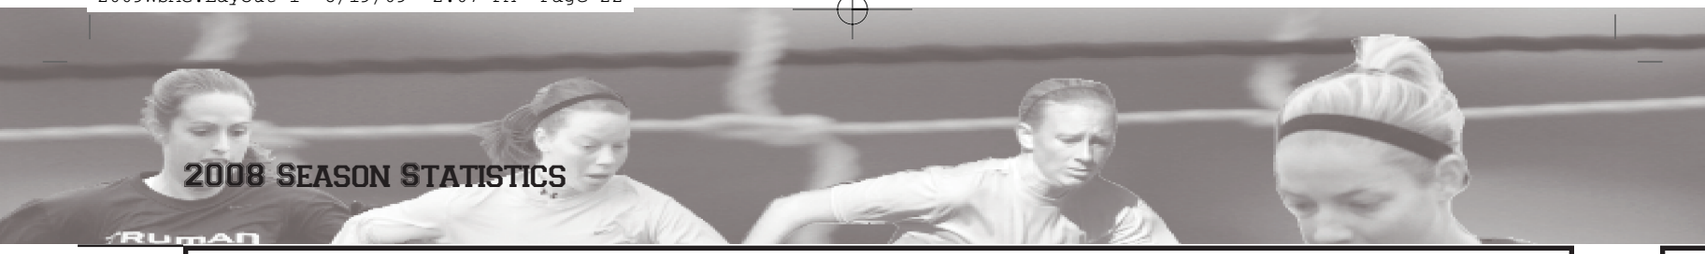

iegert and Mahn finished the season with 10 goals, three assists and one MIAA player of the week award apiece, while Reuck finished a close second with 20 total points on eight goals and four assists.

Senior Kim Wolff, Wiegert and Reuck were all recognized for their efforts by the conference's coaches and were named to the all-MIAA first-team, with midfielders Katie Buning and Megan Buri picking up second-team nods. Mahn led fellow juniors Theresa Bauler and Kelsey Richters on the honorable mention squad.

Five of those players - Wolff (first-team), Wiegert (first-team), Reuck (first-team), Bauler (second-team) and Mahn (third-team) - parlayed their all-MIAA selections into spots on the South Central regional team. It marked the most players to be named all-region since five did it in 2004.

Head coach Mike Cannon continued his success as the program's all-time winningest coach, picking up No. 200 in the season-opener against Quincy before finishing the season with 216. He ranks ninth on the all-time Div. II wins list.

2004 Squad Posts 19-1-2 Mark, Records 21-game Unbeaten Streak

After an unbeaten regular season, the Truman soccer team hosted the NCAA Division II Central regional tournament at the Truman Soccer Park.

In the opening game of the tournament, the Bulldogs wasted little time in getting on the board. Sara Murray scored just 0:59 seconds into the game against South Dakota.

The Coyotes evened the score at the 22 minute mark only to watch the Bulldog tack on two more goals before the intermission for a 3-1 lead. Stephanie Cepicky had the game winner at the 29 minute mark, while Anna Sonderman added the insurance goal in the 41st minute.

The Bulldogs advanced to play Nebraska-Omaha for the regional championship game. It marked the third straight time the two teams had faced each other in the national tournament.

The Mavericks struck first with a goal in the 38th minute and took a 1-0 lead into halftime, but Robyn Mortenson knotted the game at one with an unassisted goal in the 60th minute.

Truman kept the pressure on but couldn't get the game winner in regulation.

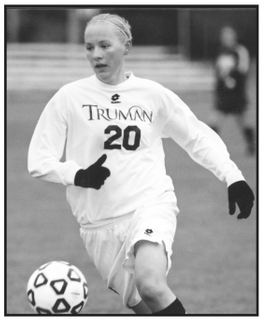

UNO brought the season to a crashing halt with a goal that just hit the inside of the post three minutes into overtime for the win.

It was Truman's only loss in the season.

BULLDOG ALL-AMERICANS

SARA MURRAY

2003, 2004 FIRST-TEAM ALL-AMERICAN

The only first-team all-American in school history, Murray repeated the honor in 2004 while leading the Bulldogs to an unbeaten regular season, sixth consecutive MIAA title and fourth-straight NCAA tournament appearance.

Besides owning all of the Truman and MIAA scoring marks, she was named the female winner of the Ken B. Jones Award. The award is given to the top male and female student-athlete regardless of sport in the conference. She was the first soccer player and first Truman female student-athlete to receive the honor.

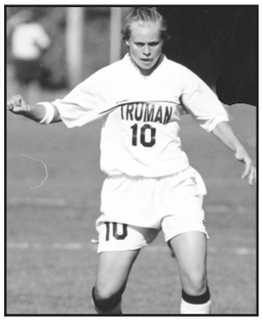

She was a four-time first-team all-conference and all-region selection as well as freshman of the year in the league in 2001 and MVP in 2003.

Murray was also a two-time second-team academic all-American.

ANNA SONDERMAN

2004 SECOND-TEAM ALL-AMERICAN

Anna Sonderman was a steady force in the Bulldog midfield for four years and was rewarded her senior year by being named to the second-team all-America squad by the National Soccer Coaches Association of America. In 2004, Sonderman was third on the team in points with 20 on six goals and eight assists.

A three-time all-region pick and first-team all-conference selection, Sonderman was a focal point of a team that outscored their opponents 45-9 in 2004, including 15 shutouts.

Sonderman finished her career ranked third all-time in assists with 24 and eighth in points and ninth in goals. During her four years on the pitch, Sonderman helped contribute to 55 shutouts and an overall record of 71-9-5.

She was part of fourth straight MIAA championships and NCAA post-season appearances.

LAUREN DAVIS

2004 THIRD-TEAM ALL-AMERICAN

Lauren Davis has followed the tradition of strong goalkeeping for the Bulldogs under Coach Mike Cannon. Davis became the second Bulldog netminder to earn all-American honors in the program history after a stellar 2004 season.

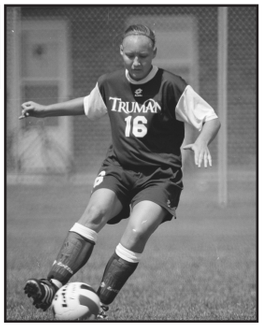

Of the 22 games played that year, Davis recorded a school and conference single-season record, 15 shutouts. She finished fourth in all of the NCAA Division II among keepers in goals-against average with a 0.40. Davis allowed only nine goals in the 22 games and went six consecutive contests without allowing a tally.

She was named first-team all-conference for the second straight year and first-team all-region for the first time in leading the Bulldogs to their sixth-straight conference title and fourth straight trip to the NCAA Division II national tournament.

JENNIFER BUSCHER

2001 (THIRD-TEAM), 2002 (SECOND-TEAM)

Jennifer Buscher became the team's first two-time all-America at the conclusion of the 2002 campaign when she was named the NSCAA's second-team. She was named a third-team all-America in 2001. A defender, Buscher helped the 'Dogs make the NCAA tournament her final two seasons, and was an important cog in the Truman defense that led the nation with a 0.38 goals against average and allowed just 4.4 shots on goal per game and eight goals all season in 2001. Buscher also assisted in setting the school's team record for shutouts that season as the Bulldogs held 15 foes to a nil score in '01.

After missing the 2000 season with an injury, Buscher made up for lost time by helping the 'Dogs reach the NCAA Division II postseason tournament for the second time in the University's history, and their first-ever chance to host an NCAA game.

EMILY HUYCK

2001 SECOND-TEAM ALL-AMERICAN

Emily Huyck was named an NSCAA/adidas second-team all-America in 2001 after leading the nation with an 0.38 goals against average as the Bulldogs earned their first-ever home game in the NCAA Division II postseason tournament. She shut out a Truman record of 43 opponents from 1998-01.

Huyck played a little more than 5,869 minutes in goal for the 'Dogs during her tenure, the second-most ever by a Bulldog goalkeeper. Unfortunately, she saw limited action as a freshman behind another outstanding Truman netminder, Jenny Miller.

Huyck allowed just eight goals in her final season, but limited opponents to seven goals in 1999, tying the school record set by Miller the previous season.

Huyck left her name in many places in the Truman, MIAA and NCAA record books, and shares the Division II standard for single season solo shutout percentage (0.74) after holding 14 of 19 teams scoreless in 1999.

JOCELYN PARISI

1997 SECOND-TEAM ALL-AMERICAN

In 1997, the soccer team had several firsts. Not only did it advance to the playoffs for the first time in school history, but a Bulldog was named all-America.

Forward Jocelyn Parisi was named to the NSCAA second-team all-America list following Truman's postseason run. She was also named NSCAA first-team all-Central region along with teammate Kim Mannion.

In '97, Parisi moved forward from the midfield where she played during her freshman and sophomore seasons. She scored 15 points on four goals and seven assists during her first two seasons. As a junior, Parisi posted career highs in every category.

She ended her career in 1998 with 76 games played, 156 shots, nine goals, 19 assists and 37 points. Her 19 career assists ties her for fifth all-time at Truman, and Parisi's 156 shots are the fourth-highest career total by a Bulldog. Parisi is tied for second among Truman career leaders in games played and is ninth in points.

WHAT'S IN A NICKNAME?

Why was the nickname, Bulldogs, selected for Truman State University? O.C. Bell in 1908 referred to his performers as Bulldogs, but it wasn't an official designation. So far as is known, this term wasn't used again until the spring of 1915.

At the time, a committee of students, including the late President Emeritus Walter H. Ryle, recommended the adoption of the "Bulldog" as the official emblem because of the beast's tenacity and ability to fight desperately to the end.

The spirit of the Bulldog has been evident since the name was selected 90 years ago. It's not unique though, as at least 16 NCAA schools have adopted the "Bulldog".

DIRECTOR OF ATHLETICS

Jerry W. Wollmering was named the Director of Athletics at Truman in September of 1999.Since coming to Kirksville, Wollmering has helped Truman be one of the top athletics departments in NCAA Division II -- both athletically and academically.

The Bulldogs have finished in the top-10 in the Directors' Cup standings in each year that Wollmering has been at Truman. In 2003-04, he led the athletics program to a third-place finish in that national program, the highest ever for a MIAA school.

Academically, Truman regularly ranks among the top schools in the MIAA and in the nation in graduation rates.

Prior to coming to Truman, Wollmering served as associate athletics director of finance and administration at Bowling Green State University in Ohio since January of 1998. He was also the assistant athletics director for financial affairs for two years at BGSU, prior to his becoming an associate AD.

Wollmering earned a bachelor's degree in business administration and accounting from Drake University in 1987, and a master's degree in physical education and athletic administration from Kent State University in 1993. He is also a certified public accountant with experience as an auditor.

Before arriving at Bowling Green, Wollmering was an assistant athletic director at Southeast Missouri State University, a Division I program, for approximately 18 months. While working on his master's degree, Wollmering was a graduate assistant to the athletic director at Kent.

A native of Ft. Madison, Iowa, he was a varsity letterman in cross country and track at Drake. Wollmering and his wife, Alicia, have three daughters: Leah, Erica and Kate.

SPORTS MEDICINE

The training room is home base for the sports medicine program at Truman State University. The purpose of the program is to work toward the prevention of athletic injuries, care for those injuries that do happen and work for complete recovery through rehabilitation so that the student-athlete can return to competition as safely and quickly as possible. The program works under the direct supervision of three full-time experienced trainers and two physicians. If an athlete should be injured while participating in an intercollegiate sport, they will be evaluated by a highly competent training staff member and treated as needed or referred to necessary medical personnel.

The main training room is on the lower level of Pershing Building just off the northeast corner of Pershing Arena. Both the head athletics trainer's and assistant athletics trainer's offices are located in this area. The student trainers assigned to each sport also use this as their main area of contact.

It contains 7 treatment tables and 2 taping tables. Two whirlpools, muscle stimulation, ultrasound, and a variety of other modalities are available to treat injured athletes. This athletic training room also contains rehabilitation room containing a variety of rehabilitation equipment

A secondary training room in the football kennels, located south of Pershing Building, is mainly used during fall and spring practices because of its proximity to the football practice field and outdoor track. It contains eight treatment tables, four taping tables, and three whirlpools. This facility is equipped with modalities and rehabilitation equipment similar to that in the Pershing athletic training room.

Bulldogs in the Community

Division II is committed to developing students and communities by actively engaging in shared experiences.Our community engagement objective is bringing community to campus to experience Division II collegiate events.

Through community engagement, student athletes can direct the energy and spirit of winning to positively change society.

Truman is committed to this Division II physophy through many activites aimed at assisting local Kirksville and campus organizations, including the following:

- ✦ Working w/United Way
- ✦ Cub Scouts & Northeast Missouri Food Bank
- ✦ Bulldog Buddies
- ✦ Spring Clean-Up
- ✦ Freshman Move-In Day

- ✦ Make A Wish Foundation
- ✦ Raise money for Parkinson's Disease Research (Bill Cable Purple & White Game)
- ✦ Think Pink! WBCA's Fight on Breast Cancer

Academic All-Americans

Truman State University is one of the top schools in all of the country in producing Academic All-Americans.

The Bulldogs have had 87 Academic All-Americans since the programs inception in 1952 by the College Sports Information Directors of America which is 24th overall and second in Division II.

To be eligible for the Academic All-America honor, a student-athlete must have at least a 3.30 GPA and earn first-team all-district honors that are voted by the district's sports information directors.

Truman State University continues to be lauded as one of the country's most prominent public liberal arts and sciences institutions. Recognized for educational excellence, Missouri's only highly selective public university has been listed in national publications such as Consumer's Digest, The Fiske Guide to College, and The Princton Review. U.S. News & World Report's 2008 edition of "America's Best College" featured Truman for the eleventh consecutive year as the #1 public university in the Midwest awarding bachelor's and master's degrees. Complete information for prospective students can be found at http://admissions.truman.edu

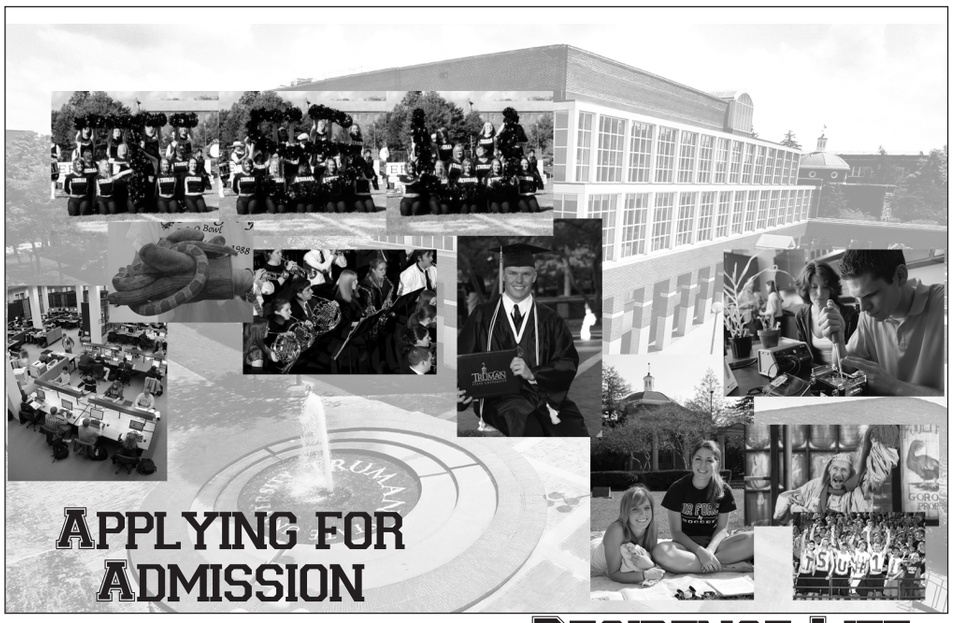

ADMISSION REQUIREMENTS

Admission to Truman is based upon high school curriculum; high school grade point average and rank; standardized test scores (ACT or SAT); special abilities, talents, or achievements; and an essay. Students planning to enroll at Truman should complete the following high school core curriculum: four units English, three units mathematics (four units are strongly recommended), three units social studies/history, three units natural science, one unit fine arts and two units foreign language (same language).

Under guidelines for highly selective institutions from the Missouri Coordinating Board for Higher Education, the students who receive the strongest consideration for admission to Truman will have a 140 combined ability. The combined ability is determined by adding the high school class rank percent to the national percentile on the ACT or SAT college entrance exam.

Darrell Krueger

President, Truman State University

Dr. Darrell Krueger began as Interim President of Truman State University on Oct. 16, 2008.

Krueger served for 16 years as the vice president for academic affairs and dean of instruction at Truman and for two years prior to that he served as an assistant professor of political science at the University.

Krueger left Truman to become the 13th president of Winona State University (Minn.) from 1989 until his retirement in 2005. During his tenure as president he was natinally recognized for his work in outcomes assessment. Under his leadership, Winona State University became one of the most technologically advanced universities in the nation with one of the largest laptop university programs supporting more than 8,000 laptop computers across campus.

Under Krueger's leadership a comprehensive campus master plan was developed that included enhancement of campus green spaces, a new library that opened in 1999 and a state-of-the-art science laboratory center that was dedicated in the fall of 2004.

Krueger graduated summa cum laude as co-valedictorian from Southern Utah State College in Cedar City in 1967, with a bachelors of arts degree in political science and history. He earned a master's degree in 1969 and a Ph.D. in 1971 from the University of Arizona, Tucson. He is the 50th Woodrow Wilson Fellow to become a president and he is a member of Phi Beta Kappa. Krueger and his wife Nancy have four children, two of whom graduated from Truman.

TRUMAN SOCCER PARK - HOME OF THE BULLDOGS

The Truman Soccer Park was constructed in 1982 and was used for the first time in 1983. Before construction, the men's soccer team practiced and competed at Stokes Stadium.

Located southwest of Campbell apartments, the park features a natural grass pitch and practice field with an in ground irrigation system running in an east-west direction.

There are aluminum bleachers on the north side of the playing field for approximately 250 people. In 2003, the park added additional space to accommodate temporary bleachers for larger crowds. The north side also features a wooden press box area that has a capacity for six media personnel, statisticians and camera persons. Admission to the press area is by pass only.

The player's benches are located on the south side of the playing field with both team's locker facilities located at Pershing Arena.

The field played host to its first NCAA tournament game in 1995 when the men's team took on Mercyhurst (Pa.) in quarterfinal action of the NCAA Division II Tournament. The women's soccer team hosted its first NCAA games in 2001. The largest crowd to see a game at the park was just over 900 for the 2003 Men's National Quarterfinals against Findlay Univ. (Ohio).

WEIGHT TRAINING FACILITIES

Truman has three weight rooms that are at the disposal of the athletes. The largest is the free weights room which is located on the west side of the Pershing Arena on the third floor. This room was renovated during the summer of 2000. The renovations included new ventilation and equipment, and general refurbishment of the interior.

Approximately 2,600 square feet, it accommodates 40-45 athletes at a time with eight separate power stations complete with platforms and bumber plates for a wide variety of strength training and rehabilitation.

The Nautilus room is located on the east side of the arena near the ramp that leads to the natatorium. The third weight room is the aquatic weight room and is located at the bottom of the ramp on the east side.
